

BRA

The BRA is holding a series of community workshops and meetings for the Allston-Brighton Neighborhood Planning Initiative (ABNPI). The ABNPI is a planning effort that will address various planning issues south of the Turnpike. It will not duplicate efforts related to other Institutional Master Plans currently under review.

The ABNPI will result in a report prioritizing short-term and long-term recommendations and serve as a guide for the City of Boston. Listed below are the meeting dates, times and locations.
