

TO WHOM IT MAY CONCERN:

We, the undersigned, abutters, home owners, and residents of Ward 1, Precinct 2, in the Jeffries Point neighborhood of East Boston, do declare that we are in opposition to a project to be developed at 202 Maverick Street that will include 206 Maverick Street and 5 Frankfort Street.

Project plans have been presented at meetings of the Jeffries Point Neighborhood Association on three occasions.

We, the undersigned, believe that any of the project plans as presented in both its size and scope would be harmful to the area mentioned. Especially so for the negative impacts to the immediate abutters as well as to the safety of the 900 children enrolled at the Donald McKay School and Early Educational Center.
