Re: Planned Development Area No. 7 – Amended and Restated PDA Plan

Dear Edward:

On behalf of Equity Residential, enclosed are ten (10) copies of the proposed Amended and Restated Development Plan for Planned Development Area No. 7, Longfellow Place in the West End. I have also enclosed a copy of the public notice that we will submit to the Boston Herald for publication on Monday.

Please do not hesitate to contact me should you have any questions regarding this submission. Thank you very much.

Very truly yours,

Johanna W. Schneider

Enclosures

cc: Paul Barrett, Equity Residential
Louis C. Miller, Esq.

PUBLIC NOTICE

The Boston Redevelopment Authority ("BRA"), pursuant to Sections 80A-2.1 and 80C-5.3 of the Boston Zoning Code (the "Code"), hereby gives notice that an Amended and Restated Development Plan (the "Amended Development Plan") for Planned Development Area No. 7 for Longfellow Place in the West End of Boston (the "Site"), together with a Fact Sheet describing the proposed project and a map of the area involved (together with the Development Plan, the "PDA Documents"), were received by the BRA on February 26, 2015. The project proponent is Equity Residential (the "Proponent").

The BRA Board previously approved a PDA Development Plan for the Site on January 6, 1972, which was approved by the Boston Zoning Commission on January 31, 1972.

The Amended Development Plan proposes to demolish the existing 650-space above grade parking garage on the Site and replace it with a 46-story building with approximately 482 units of housing with a below grade parking garage with approximately 842 spaces (650 of which are replacement spaces) (the "Proposed Project").

The Proponent requests (a) approval by the BRA of the Amended Development Plan pursuant to Article 80C of the Code, and (b) authorization for the BRA Director to (i) petition the Boston Zoning Commission to approve the Amended Development Plan, (ii) issue a Certification of Consistency with respect to the Proposed Project pursuant to Section 80-C8 of the Code, and (iii) execute any and all agreements and documents in connection with the Proposed Project that the Director deems appropriate and necessary.

The PDA Documents may be reviewed at the office of the Secretary of the BRA, Room 910, Boston City Hall, Boston, MA between 9:00 AM and 5:00 PM, Monday through Friday, except legal holidays. Public comments on the Development Plan, including the comments of public agencies, should be submitted in writing to Edward McGuire, III, Project Manager, BRA, Boston City Hall, Boston, MA 02201, or via email to Edward.mcguire@boston.gov, within forty-five (45) days of the BRA's receipt of the PDA Documents, i.e., April 13, 2015.

Boston Redevelopment Authority
Executive Director/Secretary

FACT SHEET

AMENDED AND RESTATED DEVELOPMENT PLAN FOR PLANNED DEVELOPMENT AREA NO. 7

LONGFELLOW PLACE

<u>Proponent:</u>	Equity Residential
<u>Site:</u>	The PDA Site is bordered generally by Martha Road, Lomasney Way, Staniford Street, and Thoreau Path in the West End section of Boston, Massachusetts. The PDA Site contains approximately 9.2 acres.
<u>General Description of Project:</u>	<p>The PDA Site is currently developed with two high-rise apartment buildings with underground parking, a non-institutional medical office building with below-grade parking at 50 Staniford Street, a one-story commercial/retail building on Staniford Street, the approximately 150-unit Amy Lowell apartment building on Martha Road, a five-story, 650-space above-grade parking garage, a one-story wooden structure formerly used as the Boston Children's School Annex, and resident outdoor recreational facilities, including a swimming pool and tennis courts. The Proponent proposes to demolish the existing above-grade garage and vacant one-story wooden structure and construct in their place a 46-story building with approximately 482 units of housing with a below-grade parking garage with approximately 842 spaces (650 of which are replacement spaces). Outside of the Project, no changes are being made to the location or appearances of structures at the PDA Site. The Project will provide affordable housing consistent with the Inclusionary Development Policy dated 2007.</p>
<u>Zoning:</u>	<p>The PDA Site is located within an H-3 (Residential, Apartments) district and within Subdistrict M of the Downtown Interim Planning Overlay District (IPOD). It is also located within the West End Land Assembly and Renewal Project Area, and is therefore also governed by the 1957 West End Urban Renewal Plan, which establishes the basic guidelines for land use and development in the West End Project Area. The PDA Site comprises Planned Development Area No. 7.</p>
<u>Previous Approvals:</u>	<p>The BRA Board previously approved a PDA Development Plan for the Site on January 6, 1972, which was approved by the Boston Zoning Commission on January 31, 1972.</p>

AMENDED AND RESTATED DEVELOPMENT PLAN

FOR

PLANNED DEVELOPMENT AREA NO. 7

AREAS F AND 2A (LONGFELLOW PLACE)

WEST END PROJECT, BOSTON

APRIL 16, 2015

I. Amended and Restated Development Plan

In accordance with Sections 3-1A and 80C of the Boston Zoning Code (the "Code"), this plan constitutes the Amended and Restated Development Plan ("Development Plan") for the existing building components and the development of new project components at Longfellow Place, bordered generally by Martha Road, Lomasney Way, Staniford Street, and Thoreau Path in the West End section of Boston, Massachusetts, containing approximately 9.2 acres, described in Exhibit A attached hereto, and as shown on the plan attached hereto as Exhibit B and referred to as the "PDA Site". The new project components will be comprised of a 46-story building with approximately 482 units of housing and a below-grade parking garage with 830 spaces on approximately 3.02 acres within the PDA Site (the "Project Site").

As further described herein and as set forth on the appendices included herewith, the Development Plan includes the existing development on the PDA Site, hereinafter referred to as "Existing Longfellow Place", and the new development on the Project Site, hereinafter referred to as the "Project". This Development Plan sets forth the location and appearance of structures, open spaces and landscaping, proposed uses and appearance of structures, dimensions of structures, density of structures, proposed traffic circulation, parking and loading facilities, access to public transportation as well as the dimensional, use and other zoning applicable to the PDA Site.

Upon approval, this Development Plan will constitute zoning for the PDA Site in accordance with Sections 3-1A and 80C of the Code. Under Section 80C-8 of the Code, no building, use or occupancy permit for the Project or for any part of the Project or any phase thereof will be issued until the Boston Redevelopment Authority ("BRA") has issued a Certification of Consistency under Section 80C-8 of the Code for the Project or phase, including the Existing Longfellow Place Component, as applicable. To the extent that the Director of the BRA certifies consistency with this Development Plan, the Project or phase, including the Existing Longfellow Place, will be deemed to be in compliance with the requirements of the Code, to the extent that such requirements are addressed in this Development Plan, pursuant to Section 80C-9 of the Code.

This Development Plan consists of 8 pages of text and Exhibits A-F. All references to this Development Plan contained herein shall pertain to such pages and exhibits.

II. Background/History

The original development plan for the PDA Site was approved by the BRA on January 6, 1972 and by the Boston Zoning Commission on January 31, 1972, effective on February 16, 1972. The PDA Site is currently developed with two high-rise apartment buildings with underground parking, a medical office building with below-grade parking at 50 Staniford Street, a one-story commercial/retail building on Staniford Street, the approximately 150-unit Amy Lowell apartment building on Martha Road, a five-story, 650-space above-grade parking garage, a one-story wooden structure formerly used as the Boston Children's School Annex, and resident outdoor recreational facilities, including a swimming pool and tennis courts. The PDA Site has been built out in accordance with the original 1972 development plan.

III. PDA Site Description

The PDA Site is an approximately 9.2-acre parcel of land bordered by Martha Road, Lomasney Way, Staniford Street, and Thoreau Path. A legal description of the PDA Site is attached hereto as Exhibit A; PDA Site is depicted on the plan attached hereto as Exhibit B.

IV. Proponent

The Project Proponent is Equity Residential, the entity that controls Charles River Park "D" Company, the legal owner of the Project Site.

V. Underlying Zoning

The PDA Site is located within an H-3 (Residential, Apartments) district and within Subdistrict M of the Downtown Interim Planning Overlay District (IPOD). It is also located within the West End Land Assembly and Renewal Project Area, and is therefore also governed by the 1957 West End Urban Renewal Plan, which establishes the basic guidelines for land use and development in the West End Project Area. The PDA Site is located within an area where PDAs are allowed under the Code.

VI. Proposed Uses

The proposed uses for the PDA Site may include one or more of the uses as set forth on Exhibit E attached hereto, including: multi-family residential; residential management office, common area and amenity space; office; retail; parking garage; swimming pool; tennis courts; ice skating rink; kiosk; private grounds for games and sports accommodating spectators; private club; restaurant; service establishments; and accessory newsstand.

VII. Access to Public Transportation

The PDA Site is located within convenient walking distance to a wide variety of public transportation alternatives. MBTA Green and Orange Line rapid transit services are located within one-quarter mile of the PDA Site, with both Orange and Green Line service at North Station and Green Line service at Science Park. Within approximately a half mile from the PDA

Site are the Charles/MGH Station on the MBTA Red Line, Bowdoin Station on the Blue Line, and Haymarket Station, which provides connection to MBTA Green and Orange Lines and local/regional bus services.

North Station provides commuter rail service to the north on the Fitchburg, Lowell, Haverhill, and Newburyport/Rockport Commuter Lines. In addition, the EZRide Shuttle bus provides commuters with connections between North Station and destinations in Cambridge, including Cambridgeport, the Massachusetts Institute of Technology (MIT) northwest campus, Kendall Square, and Lechmere. The EZRide Shuttle bus runs approximately every 20 to 30 minutes between 6:20 am and 10:46 pm, Monday through Friday. Local MBTA bus route #4 is located within one-quarter mile of the PDA Site, providing connections between North Station, South Station, and the South Boston Waterfront.

VIII. Existing Longfellow Place

A. Dimensions of Existing Longfellow Place

The dimensions of the existing Longfellow Place are as follows:

Structure	Gross Floor Area	Lot Coverage Area	Maximum Height¹
Office Building	214,251 square feet	27,084 square feet	148 feet
Towers 1 & 2	855,776 square feet	23,888 square feet	Tower 1 – 340 feet Tower 2 – 342 feet
Garage Structure	264,936 square feet	49,933 square feet	70 feet
Retail Stores	11,241 square feet	11,241 square feet	N/A
Elderly Building	101,515 square feet	9,313 square feet	115 feet
Kiosk	1,000 square feet	1,000 square feet	N/A

B. Location and Appearance of Structures – Existing Longfellow Place

The location and appearance of the structures for the Existing Longfellow Place are shown on the plans listed in Exhibit F.

¹ Measured from the mean elevation of abutting sidewalks.

Outside of the Project, no changes are being made to the location or appearances of structures at the PDA Site.

C. Open Spaces and Landscaping – Existing Longfellow Place

The open spaces and landscaping of the Existing Longfellow Place are as shown on a plan entitled “Site Plan”, dated November 15, 1971 and submitted to the BRA in connection with the original PDA Plan.

D. Parking, Access and Loading Facilities – Existing Longfellow Place

Traffic circulation for the Existing Longfellow Place is provided by the public streets contiguous with the PDA Site, with access to the office building (50 Staniford Street) from Staniford Street, access to and egress from tower buildings (the Longfellow Towers) on Staniford Street, and access to and egress from housing for the elderly (Amy Lowell Apartments) on Martha Road.

The PDA Site has parking garage space for 1,200 cars. Loading is shown on the plan entitled “Site Plan”, dated November 15, 1971 and submitted to the BRA in connection with the original PDA Plan.

IX. Project

A. Project Overview

The PDA Site is currently developed with two high-rise apartment buildings with underground parking, a non-institutional medical office building with below-grade parking at 50 Staniford Street, a one-story commercial/retail building on Staniford Street, the approximately 150-unit Amy Lowell apartment building on Martha Road, a five-story, 650-space above-grade parking garage, a one-story wooden structure formerly used as the Boston Children’s School Annex, and resident outdoor recreational facilities, including a swimming pool and tennis courts. The Proponent proposes to demolish the existing above-grade garage and vacant one-story wooden structure and construct in their place a 46-story building with approximately 482 units of housing with a below-grade parking garage with approximately 842 spaces (650 of which are replacement spaces).

B. Proposed Project Dimensions

The dimensions of the PDA Site and the Project are set forth below.

Dimensions	Existing Longfellow Place PDA ²	Proposed Project	Combined
PDA Site	399,828 ³ square feet	131,551 square feet (within PDA Site)	399,828 square feet
Maximum Gross Floor Area, excluding accessory parking	1,448,719 square feet	511,611 square feet	1,695,394 square feet
Maximum FAR	3.65	3.89 (of Project Site) 1.28 (of PDA Site)	4.3
Maximum Height	35 stories (340 feet)	46 Stories (465 feet ⁴)	N/A
Lot Coverage	30.50% (122,459 square feet)	10.8% of Project Site/ 3.6% of PDA Site (14,250 square feet)	21.7% (86,776 square feet)
Open Space	355,475 square feet	116,525 square feet	393,619 square feet
Parking	1,200 spaces	830 spaces (650 replacement/180 new)	1,380 spaces

C. Location and Appearance of Structures – Project

The Project will be located on approximately three acres of land within the PDA Site, bordered by Martha Road, Lomasney Way, and the MBTA Green Line portal to the north, the O'Neill Federal Building and 150 Staniford Street to the east, Longfellow Place to the south, Hawthorne Place to the southwest, Thoreau Path to the west, and 55 and 65 Martha Road to the northwest, all as more specifically depicted on the Project Site Plan attached hereto as Exhibit C.

The Project is a 46-story building, up to 465 feet in height (excluding mechanical penthouse). It will provide up to 530,000 square feet of development above grade, which will include

² It is not entirely clear how the dimensions in the original PDA plan were calculated, as the Code has been updated significantly the adoption of the original PDA plan in 1971. This Amended and Restated Plan carries the dimensions as set forth in the original PDA plan without adjustment or modification.

³ When first approved, the PDA Site was comprised of 401,448 square feet. In 1996, 1,620 square feet of the PDA Site was taken by the Commonwealth of Massachusetts in connection with the widening of Martha Road. With respect to the Existing Longfellow Place, this Amended and Restated PDA Plan carries the dimensions set forth in the original PDA Plan, which were generated based on the square footage of the PDA Site at the time the original PDA Plan was adopted.

⁴ Exclusive of mechanical penthouse and associated enclosures.

approximately 510,000 square feet of residential space and approximately 486 residential units. The Project will also include approximately 18,000 square feet of common area and approximately 2,000 square feet of retail space. There will be approximately 400,000 square feet of below-grade parking to accommodate approximately 842 parking spaces.

Plans showing the location and appearance of the Project are attached hereto as Exhibit D.

D. Open Spaces and Landscaping – Project

The Project will create approximately an acre of new open space for a total of 2.58 acres of open space on the Project Site. This open space will include planting areas, pedestrian walkways, sidewalks, and recreation areas. The Project Site will be landscaped to improve and enhance the pedestrian circulation between the heart of the West End, North Station, TD Garden, and the surrounding neighborhood.

E. Parking, Access, and Loading Facilities – Project

The Project will replace the existing 650-space above-grade garage with a new approximately 830-space underground parking garage for residential, employee and public use. The below grade parking garage will be approximately 400,000 square feet. The Project garage will be accessed via four entrance and exit lanes, including two on Lomasney Way and two on Martha Road. The Project will maintain the existing vehicular connection between the new parking garage and the existing Longfellow Place garage. The Project will incorporate a short-term pickup/drop-off area adjacent to the Project Site along Lomasney Way to accommodate up to two vehicles, such as taxis.

All trash, loading, and move-in/move-out activities will occur onsite within an enclosed loading area adjacent to the existing Longfellow Place service area, which is located beneath the courtyard of the adjacent West End Place development. Access to the service area will be provided on Lomasney Way via an existing driveway between the Project Site and West End Place.

F. Green Building – Project

The Project will comply with Article 37, Green Buildings, of the Code. The Proponent has incorporated the LEED Building Rating System criteria in the design of Project. As a result, the Project has been designed to meet LEED standards, and incorporates the following Green Building Attributes:

- Sustainable Sites Credit with respect to site location, development density and community connectivity, public transportation access, Brownfield Redevelopment, bicycle storage and changing rooms, low emitting and fuel efficient vehicles, open space maximization, parking capacity, storm water design, reducing heat island effect;
- Water Efficiency Credit with respect to efficient landscaping and water use reduction;

- Energy Atmospheric Credit with respect to optimizing energy performance, enhanced commissioning, and measurement and verification;
- Materials and Resources Credit with respect to construction waste management and reuse of materials, use of recycled content and regional materials;
- Indoor Environmental Quality Credit with respect to air delivery monitoring system, construction IAQ Management Plan, use of low emitting materials, controllability of lighting and thermal systems, and daylight and views.

G. Affordable Housing

The Project will provide affordable housing consistent with the Inclusionary Development Policy dated 2007.

H. No Duty to Develop Project

Nothing in this Development Plan shall be construed as an undertaking by the Proponent to construct or complete the Project. If and to the extent that the Project is undertaken by the Proponent, the sole obligation of the Proponent is to adhere to the provisions of the Development Plan and the Article 80B documents applicable to such project, to the extent provided herein.

X. Subdivision of PDA Site:

This PDA Plan constitutes approval for any subdivision, re-subdivision, or condominium creation, provided that the Proponent (or its successors in interest) shall give written notification to the BRA's Director of any such subdivisions, re-subdivisions, or condominium creation, and assignments of responsibilities.

XI. Development Review Procedures:

All design plans for the Project are subject to ongoing development review and approval of the BRA. Such review is to be conducted in accordance with Article 80 of the Code and the BRA Development Review Guidelines, dated 2006.
