RE: Support for the Boston Garden Development Project

To Whom It May Concern:

I am writing to you in support of the Boston Garden Development Project in Boston. As the general of the Building and Construction Trades of the Metropolitan District, I urge you to support this project. The difficult economic challenges that we have experienced over the past several years has had a devastating effect on our members, many of whom remain out of work. The Boston Garden Development Project in Boston will create hundreds of construction jobs. This project presents a great opportunity for us to get our members back to work.

We thank you for your continued support.

Sincerely,

Brian Doherty
General Agent/Secretary-Treasurer
