RE: Support for the Boston Garden Development Project

Dear Mr. Fitzgerald,

As a business in the Bulfinch Triangle neighborhood, I am writing to indicate my support of the Boston Garden Development Project proposed by Boston Properties and Delaware North Companies at 80 Causeway Street.

We feel the project's diverse mix of uses, including a substantial residential and retail & entertainment component, will contribute to a vibrant, 24/7 neighborhood and will activate the streetscape as well as enhance the greater public realm experience. In addition, this project will improve and activate a larger urban pedestrian link to the West End from the Bulfinch Triangle and North End.

As a business located in the Bulfinch Triangle for over a decade, we have seen the emerging revitalization that has taken place in the area and we feel the proposed project and its many neighborhood and urban benefits will further strengthen the resurgence already underway and we look forward to the benefits that this proposed project will bring to the greater North Station/Bulfinch Triangle area. Please record my name in favor of this project.

Sincerely,
