RE: Request for 60 Day Extension of Certain Boston Urban Renewal Plans

Dear Mr. Golden: *Brian*

The Department of Housing and Community Development (the Department) is in receipt of the Boston Redevelopment Authority's (BRA) April 20, 2016 request for approval of sixty (60) day extensions for the following 14 urban renewal plans:

Brunswick-King
Campus High School
CDB Boylston-Essex
CDB School-Franklin
CDB South Station
Charlestown
Fenway
Government Center
Kittredge Square
Park Plaza
South Cove
South End
Washington Park
Downtown Waterfront

The extensions of these 14 urban renewal plans beyond their April 30, 2015 expiration dates will allow DHCD to further review the BRA request for longer-term plan extensions.

The Department has determined that the requested sixty (60) day extensions for these plans are Minor Plan Changes. The documentation submitted in support of the extensions complies with 760 CMR 12.03,

“Plan Changes.” The Department approves the requested plan extensions as submitted. The new expiration date of each plan is June 29, 2016.
