Looking at the changes Samuels & Ass. wish to make on the proposed Fenway Point I feel added height should equal more affordable units, 15% minimum @ 70% of the AMI and Cash Contributions should go into the IDP fund for use in the **FENWAY**. If this is not affordable by them, they should be rejected and sent back to the drawing board. They should not be allowed to play fast & loose with Fenway residents or the Fenway neighborhood.
