

MINUTES
DESIGN COMMITTEE OF THE BOSTON CIVIC DESIGN COMMISSION

February 26, 2019

5:00pm, Room #937A, 9th Floor, Boston City Hall
Project: **Hood Park PDA Masterplan & 10 Stack Street**
Present: David Hacin, Kirk Sykes

DISCUSSION: Following the most recent Design Committee meeting, the project team presented a revised design for 10 Stack Street. The Commissioners present requested that more patterning be added to the façade, and that the team continue to study how the building meets the ground. The project team used a digital presentation and several physical models to outline their approach and project updates, and answered questions from the BCDC Commissioners present.

6:00pm, Room #933A
Project: **Dot Block**
Present: David Hacin, Kirk Sykes

DISCUSSION: The project team presented updates to façade designs in response to comments at previous Design Committee sessions. Commissioners suggested the team look for opportunities to incorporate bays and details to create interesting moments in the design. The Project team used a digital presentation and model to outline their approach and project updates, and answered questions from the BCDC Commissioners present.
