Open House: Drop in
anytime you'd like!
6:00pm - 8:00pm

Location

Jackson Mann Gymnasium
40 Armington Street
Allston, MA 02134

The **purpose** of the study is to identify measures to improve mobility for all modes – transit, bikes, pedestrians, and cars.

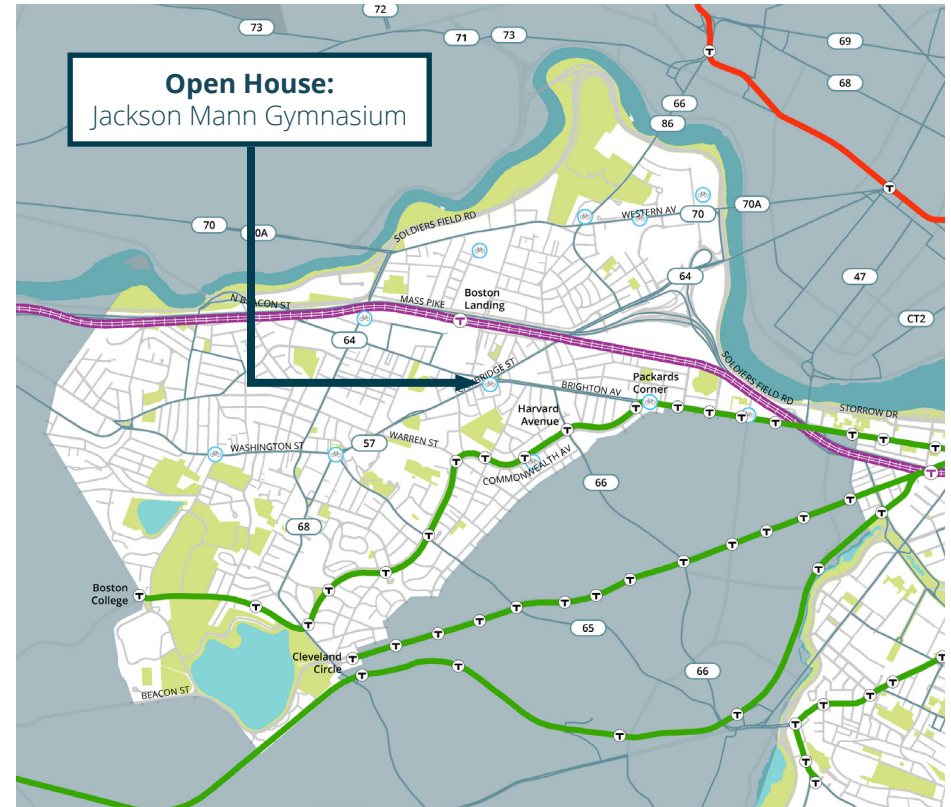

***Come help shape the scope of work!
Tell us what mobility issues concern you!***

MBTA and MassDOT staff will also be on hand to explain the **Better Bus Study** and the **Allston Transit Improvement Study** for Allston/Brighton and discuss other ongoing initiatives.

The City Hall To Go Truck will be on site too!

Come join us!

Building on Go Boston 2030, Imagine Boston 2030 and other plans, the AB Mobility Study is an opportunity think strategically about the future of mobility in Allston/Brighton. In close partnership with the Boston Transportation Department, MassDOT, and the community, we will explore what steps can be taken to improve mobility, safety for all modes, and quality of life in Allston and Brighton. This study will establish goals and strategies to guide mobility investments throughout the neighborhoods.
