DESIGN COMMITTEE OF THE BOSTON CIVIC DESIGN COMMISSION

DATE: October 16, 2018

5:00pm, Room #937A, 9th Floor, Boston City Hall

Project: **60 Kilmarnock Street**

Present: David Manfredi, William Rawn

DISCUSSION: Discussion centered on updated detailing of materials and setbacks, which Commissioners appreciated. Critique on the alley connection and bridge over the alley resonated with comments from the September 11th Design Committee meeting.

The Project team used a digital presentation and a model to outline their studies and the updated Project and answered questions from the BCDC Commissioners present. The Project will return to Design Committee.
