Planning Timeline

Imagine Boston 2030

- Provide Quality of Life in Accessible Neighborhoods
- Drive Inclusive Economic Growth
- Promote a Healthy Environment
- Invest in Infrastructure, Open Space and Culture

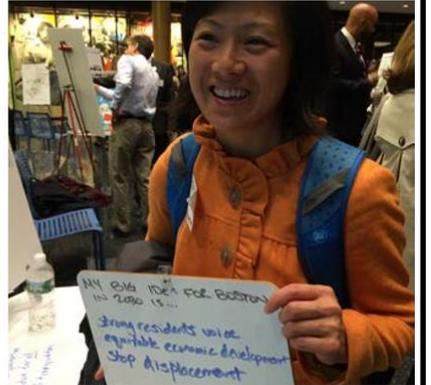

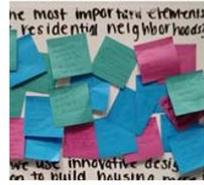

"More housing options that are affordable for middle- and low-income households. More livable wage job opportunities—including better wages and benefits for service workers, more creative economy opportunities, and easier pathways for starting small businesses. Healthier food access. More investment in equitable transit, investment in public schools and the future of the city's young people."
Roxbury resident via web survey

Boston Voices

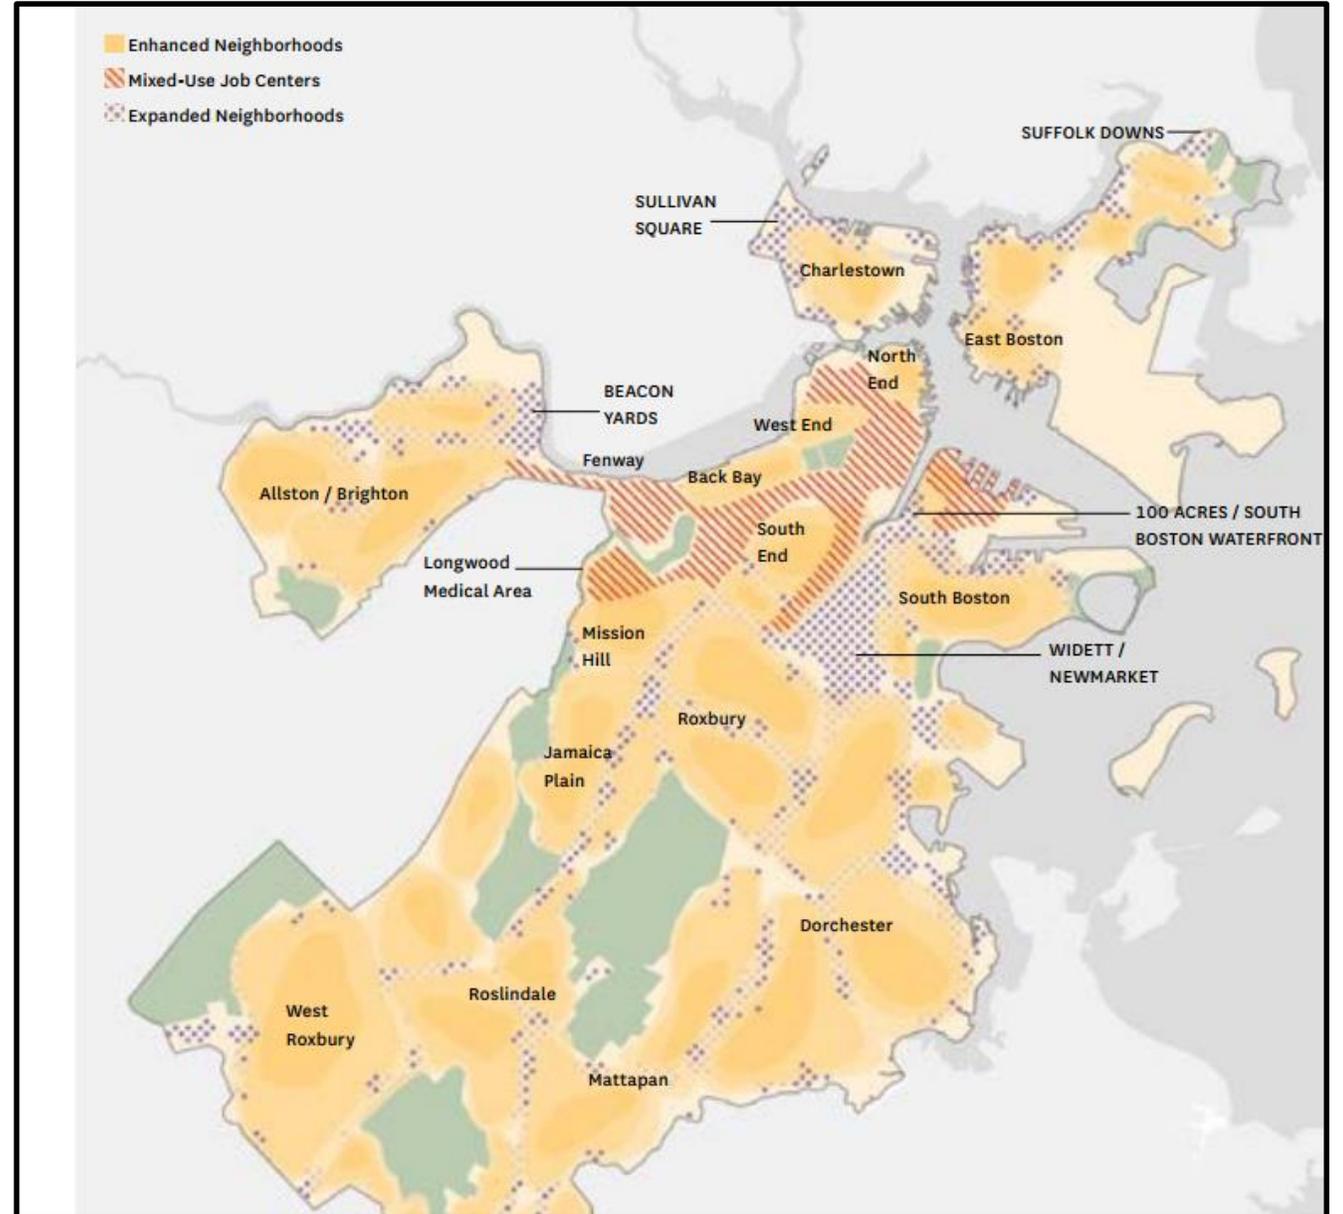

Keeping the vibrancy that the many diversities—of race, ethnicity, income, industries, institutional excellence—bring to the city. Lots of economic pressures now. Need a balanced strategy to keep the mix."
