PUBLIC HEARING

This meeting was recorded.

1. Chairman Hurley called the meeting to order at 9:04 AM and opened the hearing regarding Map Amendment No. 774 and the Development Plan for PDA No. 148, 287 Western Avenue, Allston. Mike DiMella recused himself from this hearing.

   The Interpreters assigned to the meeting introduced themselves.

   The following offered testimony on the amendment/development plan:

   Quinn Valcich, Sr. PM BPDA
   Ted Schwarzberg, Dep. Dir. Zoning Compliance BPDA
   Mike Diminico, King Street Properties
   Matthew Pierce, Perkins and Will Architects
   John Cusack, resident

   Quin Valcich presented the proposed development plan to the Commission. (See presentation in folder). 92,000 sf of gross floor area with mixed use programming as well as a new 2-ambulance bay EMS station.

   Ted Schwarzberg spoke to the planning and zoning context that guided the review of the PDA. Specifically mentioned the Western Avenue Corridor Study that led to the WACRZ zoning that the Commission adopted.

   Mike Diminico spoke on behalf of the development team. Gave site context (including site conditions) for the proposed development. This will be life-science lab and office space with 2 EMS garage. This will be designed for “early-staged” companies. Space will be flexible for various uses including remote-work space for the community. EMS will remain in the neighborhood in an adjacent building so there is no lack of services.

   Matthew Pierce spoke to the design and architecture of the building, public spaces, and streetscape.

   Mike Diminico also spoke to the transportation improvements in the area.

   Commissioner Austrich asked why the 50% reduction in off-street parking from the BTD regs?

   Mike Diminico stated that the wanted to encourage public transportation.

   John Cusack spoke in support of the proposal.

   Hearing closed at 9:26 AM, BZC entered Business Meeting.
Commissioner Hatton was excited about the scale of the project.

Commissioner Hatton made a motion to adopt Map Amendment No. 774 and the Development Plan for PDA No. 148, 287 Western Avenue, Allston, as submitted.

Commissioner Nichols seconded the motion.

Chairman Hurley put the motion to vote:

**Yea:** Hatton, Miller, Austrich, Arroyo, Nichols, Hurley, Leff, Morikawa

**Nay:** None

**The motion carried 8-0.**

2. Chairman Hurley called the meeting to order at 9:28 AM and opened the hearing regarding the 6th Amendment to Planned Development Area No. 37, Prudential Center Redevelopment. Mike DiMella rejoined the meeting.

The following offered testimony on the amendment:

Quinn Valcich, Sr. PM BPDA  
Ted Schwarzberg, Dep. Dir. Zoning Compliance BPDA  
Frank Stearns, Holland and Knight  
Teddy Fogelman, Hawkins Way  
Julie Resker, Gensler

Quinn Valcich presented the proposal to the Commission. This would allow approximately 860 beds for Northeastern University students. This can exist for a 10-year term and also exist when mentioned in an approved Institutional Master Plan (“IMP”). Northeastern’s IMP is currently undergoing BPDA review for the next 10-year IMP.

Ted Schwarzberg spoke to the planning and zoning context. This is the existing Sheraton Hotel building.

Frank Stearns spoke to the amendment itself. This was an underutilized hotel and there is a need for student housing. The 2 towers will be separate from each other and have two different entrances. The South Tower will become the dormitory.

There was a slide presentation shown during the development team’s presentation (see folder).

Commissioner Hatton asked about the bike storage strategy being in the dorm room itself. How does it work in the room? Have you used it in other locations?

Teddy Fogelman stated that there may be a bike room at the plaza. If it reaches capacity, they can store it in the room.
Julie Resker (Gensler) said that they would be wall-mounted.

Hearing closed at 9:42 AM, BZC entered Business Meeting
