

Upham's Corner Implementation - Community Meeting
Wednesday, January 17, 2018
Cape Verdean Adult Day Health, 34 Hancock St, Dorchester

The Upham's Corner Implementation process will build on goals established by the community and outlined in both Imagine Boston 2030 and the Upham's Corner Station Area Plan of the Fairmount Indigo Planning Initiative. The Implementation process will focus on putting those plans into effect by developing strategic parcels in the neighborhood. This effort will be guided by a unique partnership between the City of Boston, the Boston Planning & Development Agency and the Dudley Street Neighborhood Initiative.

Having discussed both the Library and the Strand Theatre, this meeting will review and confirm feedback from both events and will further explore potential connections between these anchors.
