Central Artery Parcel 2 Park Design

Parcel 2 Kick-off

The Boston Planning & Development Agency (BPDA) in partnership with the Massachusetts Department of Transportation and the Greenway Conservancy, is excited to announce the kickoff of the Central Artery Parcel 2 Park Design Process. Parcel 2 is a 5,000 square-foot vacant lot between the Bulfinch Triangle and the North End and bordered by North Washington Street, Anthony "Rip" Valenti Way, and Beverly Street. The BPDA will be leading an eight-month design process that will culminate in the construction of a new park at Parcel 2. Upon completion, it will be the northernmost terminus to the Rose Kennedy Greenway park network.

You are invited to learn more about the design process, share your ideas, and discover how you can participate in shaping the park design at our kickoff meeting.
